Practical Information of Hong Kong:

A) Time Zone

Hong Kong Time is eight hours ahead of Coordinated Universal Time (UTC +8).

B) Language

English and Cantonese are the official languages of Hong Kong. Most street signs, menus, tourist and government publications are usually bilingual in both English and Chinese. Most taxi drivers, salespersons, tourism industry employees are able to communicate in English.

C) Visa and Passport Requirements

Visitors to Hong Kong must have valid passports. People of most countries do not require a visa to enter Hong Kong for tourism and can stay for periods varying from seven to 180 days, depending on their nationalities. Participants can check with the Chinese embassy in your country and the Department of the Government of the Hong Kong Special Administrative Region of the People's Republic of China for details.

D) Currency and Credit Card

The currency of Hong Kong is the Hong Kong dollar (HKD). One US Dollar is approximately HKD 7.8. It is widely used and accepted throughout the city and can be easily exchanged at banks, exchange offices, and Automatic Teller Machines (ATM). ATM can be found almost everywhere and provide 24-hour cash withdrawal for HKD. International credit cards such as VISA, MasterCard, Diners Club, UnionPay and American Express are commonly accepted by hotels, retail shops and restaurants in Hong Kong. Such premises usually display stickers showing the credit cards they accept at their entrances.

E) Weather

Hong Kong has a sub-tropical climate with seasonal changes. In July, average temperature is ranged from 26°C to 31°C. Please visit Hong Kong Observatory website for weather forecast before deciding what to pack. ([Link](#))

F) Electricity

The standard voltage in Hong Kong is 220 volts AC/50 cycles. The plug/socket system in Hong Kong is a three-pronged UK-style plug.

G) Emergency numbers

In case of emergency, dial 999 for police, fire, or ambulance services.
